

DUPLICATE BRIDGE RESULTS FOR JANUARY 2026

Because of the threat from Storm Goretti, the duplicate evening for 8th January had to be postponed until the following week, which meant our monthly events were on consecutive days. On Friday there was a marvellous result for Kathy & Roger Morgan, beating the chasing pack by a big margin. There was also a great result for 'newbies' Sharon Hammond and Roger Atterwill, snatching a creditable fourth place ahead of some of our more established players.

These two events attracted two of our highest attendance numbers, with 5 Tables on Thursday, and 6 Tables on Friday – which could have been 6½ but for absence due to an unforeseen occurrence

RESULTS JUNE 2026

Both sessions this month demonstrate how close the competition has become between our “ever improving” players. For the Thursday group we had tied winners, with the Friday group having three pairs in the runners-up position. The two groups continue to enjoy the benefit of some very interesting and testing boards (the hands), put together for us by Tony Nixon through a computer shuffling and dealing machine, which also records all the individual details, for which we are truly grateful.

RESULTS FOR SEPTEMBER 2026

Very few members were missing from the Friday afternoon session, which was a great success for two ladies who have made me very proud, with their excellent result being a reward for me for the many years (16 now) that I have been teaching this great game. So well done Sheila and Belinda who, it must be said, rarely partner each other, making the win even more creditable.
