

DUPLICATE BRIDGE RESULTS FOR JANUARY 2026

Because of the threat from Storm Goretti, the duplicate evening for 8th February had to be postponed until the following week, which meant our monthly events were on consecutive days. For the first of them, it was the 'usual suspects' topping the table, and another result worthy of mention is the third place achieved by Rosemary Heaver and Jill Snedker.

These two events attracted two of our highest attendance numbers, with 5 Tables on Thursday, and 6 Tables on Friday – which could have been 6½ but for absence due to an unforeseen occurrence

DUPLICATE BRIDGE RESULTS FOR THE MONTH OF JUNE 2026

Both sessions this month demonstrate how close the competition has become between our “ever improving” players. For the Thursday group we had tied winners, with the Friday group having three pairs in the runners-up position. The two groups continue to enjoy the benefit of some very interesting and testing boards (the hands), put together for us by Tony Nixon through a computer shuffling and dealing machine, which also records all the individual details, for which we are truly grateful.

DUPLICATE BRIDGE RESULTS FOR SEPTEMBER 2026

What a month it has been, with both sessions dominated by the ladies, which is great to see. There was a low turnout for the Thursday evening event due to holidays, with grandparents freed of their summer holiday duties, able to get away to re-charge their batteries with grandchild back at school. This presented the opportunity for Jill and Rosemary to take a wonderful win against some stiff opposition. A truly fabulous result for them.
